

UCAT Online

(Self-Study Course powered by KAPLAN)

Features

- **UCAT Question bank (KAPLAN)**
Online full access, up to max 12 months, to the KAPLAN Question bank with over 2500 practice questions. The online access will expire on 31st July of each calendar year. Practice tests with simulated timed conditions
- **Kaplan UCAT Strategy Book**
A hard copy of the book is provided. The book will follow along with your lessons so you can make notes as you go along. It will take you through each test section, the different question types, strategies and tips for test day
- **UCAT Lesson eBook**
This workbook will provide extra guidance, practice and tips for each section of the test. Use the book to support your preparation and master taught methods and strategies.
- **The Future Doctors Channel**
Free recordings of extra section-specific UCAT sessions from a range of Kaplan experts, including practicing doctors and current medical students
- **10 hours of free recorded lesson videos**
You will be provided with the recorded lesson videos of your course. These will help you to recap on anything you need to review, as you work through your practice materials
- **UCAT Decision Making material**
You will receive a 1 hour recorded video lesson outlining this new section of the exam. We will guide you through the different question and the Kaplan methods and strategies designed to approach them, through worked examples and sample questions
- **6 UCAT practice Tests**
In addition to the 3 UCAT practice tests included in the Question Bank, you will also have access to 6 more online practice tests that will increase your familiarity with UCAT exam questions and build your testing stamina. All our tests can be adapted to fit additional time required by students taking the UCAT
- **500 Mastery Questions**
You will receive an additional 500 mastery practice questions. These will help you practice each of the Kaplan methods in an un-timed format, helping you work on your general understanding of the material before you work on your timed practice
- **30 Section Focused Quizzes**
Structure your UCAT practice with 30 quizzes: 6 quizzes for each assessed section of the UCAT with over 700 questions. You will be able to sharpen your skills on specific test sections in order to improve your overall score
- **Personalized reports**
Instantly track your progress on your UCAT practice tests and quizzes, view your average pace, performance by question type and access detailed explanations for every question. Your home screen will provide your test statistics for instant retrieval
- **24/7 Access**
Access your online resources until 31st July of the calendar year from any date that suits you for complete convenience
