## **Frequently Asked Questions**

### *Q1: What are flexible timings and how to book classes?*

*Ans:* Training sessions for the UCAT advanced course will be conducted on some specific dates mainly on weekends. So based upon your preference, one can select tutoring sessions totaling to 8 hours. Please refer to the **SELECT CLASSES** section of this document for exact dates / times. Send an email ([info@newtonclasses.com.au](mailto:info@newtonclasses.com.au)) OR SMS (0422593260) your preferences.

### *Q2: Are the 8 hours of tutoring classes transferable to other months after 4 months of the course period?*

*Ans:* NO. One must avail total 8 hours of classes in the period of 4 months of that course otherwise it will expire. Each training slot is for two hours.

*Example:* Michelle has booked 4 hours in Jan 2020, 2 hours in Feb 2020 and 2 hours in April 2020.

### *Q3: Can the Online Access and registration to a course be transferred to another student?*

*Ans:* NO. The Online access and registration to classes cannot be transferred to any other student.

### *Q4: Can a student select classes only for few sections of the UCAT?*

*Ans:* YES. You can select the sections of your own choice where you need more help.

*Example:* John is good at two sections of UCAT and he needs training in only three sections of UCAT exam – Decision Making, Abstract Reasoning and Situational Judgement. So, he can pick tutoring sessions of these three sections totaling to 8 hours.

### *Q5: Can the mock / practice tests be done at home?*

*Ans:*

- The practice / mock tests which are the part of Online KAPLAN access can be done at your convenience 24/7 anywhere.
- Mock / practice tests designed by Newton Classes must be done at the NC Center. However, these tests are *optional*.

### *Q6: How do we get the reports and monitor progress?*

*Ans:* The KAPLAN online question bank has a feature that generates individual reports when a student takes a practice (mock) test. These are individual personalized reports to each registered user.

### *Q7: What should a student do after attending the 8 hours of classes in the Advanced UCAT Course?*

*Ans:* Still you can use the KAPLAN online access until it expires on 31<sup>st</sup> July 2020 and prepare for the UCAT exam at your own pace. If you still need help in any particular area, you can buy additional classes.

### *Q8: Will there be different tutors of each section of UCAT?*

*Ans:* Our faculty list is available at the Newton Classes website. Based upon their availability, training sessions will be conducted by our faculty.

### *Q9: Can the fee paid in installments?*

*Ans:* NO. The full fee must be paid prior to registering the Advanced Course. The KAPLAN online access will be provided only after then. Generally, it takes 3 to 5 business days to get the access to KAPLAN question bank once you have paid the full course fee. The KAPLAN question bank access is controlled and managed by the KAPLAN office (UK based) once Newton Classes inform them about your registration into this course.

*Q10: Is there any refund policy if someone wants to quit?*

*Ans:* NO, the fee is not refundable. However, you can quit the course at any time.

*Q11: Will the course-book to be returned?*

*Ans:* NO. At the time of registration, one will get the KAPLAN strategy book which has questions on all sections of UCAT. This is yours and not be returned.

*Q12: Will the Online access (24/7) be valid after 31 July 2020?*

*Ans:* NO. One can access the KAPLAN questions bank for max 12 months and it will expire on 31 July 2020.

*Example:* Mira registered for the UCAT Advanced course on 1 Aug 2019 and her access to the Online Questions Bank will expire on 31 July 2020. Rohan registered for the UCAT Advanced course on 1 Dec 2019 and his access to the Online Questions Bank will also expire on 31 July 2020.

*Q13: Will there be any other classroom interactive sessions in other months e.g. July or Sept in a year?*

## Newton Classes and KAPLAN

Newton Classes offered UCAT preparation courses are powered by the **KAPLAN** question bank and online resources.

Kaplan is the world leader in test preparation and have served millions of students since their founding over 80 years ago. Globally, they offer preparation for many standardised tests for college and graduate school admissions. Test prep is delivered online in more than 100 countries and through resellers and partners in over 30 countries.

Kaplan's depth of knowledge, experience and resources in helping students is unparalleled. Their self-paced online courses, practice tools, and extensive library of books and software all have proven success in helping students achieve their goals. Every student's learning is aided by state-of-the-art diagnostic and prescriptive tools to provide a truly personalised experience.

Kaplan as the leading provider of preparation courses for the UKCAT (from which the UCAT Australia and New Zealand is derived), now offers score-raising courses for students taking the identical UCAT ANZ.
